### Who We Are

The foundation is directed by a group of volunteer community residents and is a 501(c)3 non-profit public charity registered in the state of Connecticut. Our mission is to promote excellence, innovation, and creativity in education for our children and community.

### What We Do

The Glastonbury Education Foundation pools the funds raised from individuals and business to provide grants for programs, projects and initiatives that create outstanding educational opportunities for the community of Glastonbury. These grants help meet the educational needs of our community that are not funded by town budgets. The Glastonbury Education Foundation accepts grant requests from community members and members of the Glastonbury Public School system. The foundation seeks to fund educational projects that have a definable value to the community and are relevant, creative, effective, and inspiring. All grants benefit the residents and businesses of Glastonbury by making our community a highly desirable place to live, work, and raise a family. The foundation has distributed over \$670,700 in grant monies over the past 11 years.
